6. HAIFA - NAHARIYYA - TYRE

Haifa/Beled-Cheh-Acre originally 1.050m gauge.
* Service via Beled-Cheh replaced by direct route in 1920.

Dual 1.050m/1.435m gauge 1930's to 1949.

Na'amien Junction to Beyrouth opened 1942, with passenger service for military personnel only.

It is not known if this served intermediate stations. Public passenger service to Akko on 1.435m gauge from 1949.

Naval Intelligence Handbook 1943.

14. MILITARY RAILWAYS Gauge 1.050m

 An extensive system was built by the Turkish 1915/1916. Military passenger services were provided on the principal lines. Several temporary supplies lines were also built. The lines were abandoned following occupation by the British Army and replaced by today's standard gauge system, mainly on different alignments. The following list of locations (passenger stations?) from Hedjaz Railway by R.Tourret.
 ** junction with line to Jerusalem, which was regauged from 1 metre, see Line 1.

. Tulkarm (see 5)
